Classification

Not classified.

According to the OSHA Hazard Communication Standard 29CFR 1910:1200, these products are not considered hazardous

This item is not a hazardous substance and does not contain hazardous ingredients or substances with European Community workplace exposure limits, or substances of very high concern (SVHC) above their respective disclosure limits. Hence a safety data sheet is not required according to Regulation (EC) No. 1907/2006 (REACH) and also not available in this case.

REACH Registration Number

A registration number is not available for this substance as the substance or its use are exempted from registration according to Article 2 REACH Regulation (EC) No 1907/2006. The annual tonnage does not require a registration or the registration is envisaged for a later registration deadline.
